OFFICE OF PETITIONS

Sir:

**PETITION TO CORRECT ASSIGNEE**

This petition is filed pursuant to 37 CFR 1.183 in response to a communication from the Decisions & Certificates of Corrections Branch dated August 5, 2009, with respect to a Request for Certificate of Correction filed by the Patentees. The name of the Assignee is incorrect on the patent as a result of an error submitted by the Applicants in item 5 of the Issue Fee Transmittal (form PTOL-85B) at the time the issue fee was paid. The communication indicates that the Commissioner will not correct the name of the Assignee without a petition under 37 CFR 1.183.

Accordingly, the Patentees request waiver of the requirements of 37 CFR 3.81 and request issuance of a Certificate of Correction under 37 CFR 1.323 correcting the name of the Assignee. Pursuant to the requirements of the communication of August 5, 2009, the following is submitted:

Entitled: Method and Apparatus for Assembling a Closure Tab  
Attorney Docket: 70254-0397

(1) The fee for the Certificate of Correction has already been paid in the Request that prompted the communication of August 5, 2009. However, to the extent that the fee already paid is inadequate to cover the present request to correct the Assignee's name, the Commissioner is authorized to charge any additional fees required for correction of the Assignee's name to deposit account 50-2003.

(2) The correct name of the Assignee is: Dart Container Corporation

(3) An assignment from the inventors to the Assignee was recorded at Reel 013984, Frame 0272 on September 18, 2003. A copy of the Recordation of Assignment is being submitted herewith.

Any questions concerning the foregoing should be directed to the undersigned attorney of record.

Respectfully submitted,

RALPH W. MACKENZIE ET AL.
